

Supporting persecuted Christians across the Turkic Belt Countries.

Dear Jim,

My greetings to you at this time of the year when we celebrate our Saviour's birth. Thank you for the privilege of partnering with you this year.

Christmas is a good opportunity for us all to stop and give thanks again for just how much God has done for us in sending Jesus. We also remember how Jesus himself became a refugee very early in his life and how in his ministry he was subject to persecution and difficulty.

We rejoice that you are standing with our persecuted brothers this Christmas.

Prayer

I would like to share a recent event which reminds us again of the power of our prayers. I was with a group who meet regularly to pray for our persecuted brothers. I shared with them an urgent need for prayer on that particular morning, which had been communicated to me by phone. I outlined the need and the group prayed for it amongst other things. By the end of the meeting I had received a voice message from these brothers rejoicing in the Spirit that God had blessed them so greatly. Never underestimate the power of prayer!

Action

There are so many ways both large and small that you could get involved. Don't discount yourself because you think that what you could offer to do is too insignificant – it really isn't!

Please get in touch if there is anything you want to offer to do.
